Jalil Asif KC Discusses Alternative Dispute Resolution at STEP Cayman 2020

January 21, 2020

Kobre & Kim's Jalil Asif KC will be a featured speaker at STEP Cayman's 2020 International Wealth Structuring Forum being held in Grand Cayman on Wednesday, January 22.

Mr. Asif, who handles offshore asset recovery matters and the enforcement of arbitral awards and international judgments, will join several Cayman Island lawyers at the panel entitled "Art or Science? The Arbitration and Mediation of Trust and Foundation Company Disputes". The panelists will discuss the pros and cons of arbitration in disputes between companies, highlighting strategies that can be employed to achieve a successful outcome, and how to identify when one's situation is doomed to fail.
